

[Tax Diversion request letter for employees to send to employers / business owners]

Dear

NOTICE OF CRIMINAL LIABILITY FOR COLLECTING OR PAYING TAX

I'm writing to you on a matter of grave concern to all our employees.

I discovered recently that it is a criminal offence in Britain under the International Criminal Court Act 2001 and the Terrorism Act 2000 for a person to demand, collect or pay money to their local Council, HMRC, the DVLA or other agents of HM Government, if he or she knows or suspects that some of their money may be used for criminal purposes, in particular to fund murder, war crimes, crimes against humanity, genocide or crimes against peace.

Because I know that our Government has used £1,000,000,000,000 of taxpayers' money since 2000 to wage or support 7 illegal wars¹ and three medical genocides in which at least 1.4M adults and 600,000 children have been murdered, many more injured and 20 million refugees driven into exile and destitution, it is clear to me that by paying taxes both you and I have unwittingly and unintentionally aided and abetted these atrocities. Now that we know how our money is used, we must in good conscience stop paying taxes immediately or we become criminally liable for knowingly participating in the world's most serious crimes.

So please arrange with the board of directors and our accountants to divert all payments of P.A.Y.E. and NI from HMRC into a 3 month Trust in favour of HM Government that becomes payable only when its wars and crimes have ended and it is acting lawfully and in full accord with the law. If however these trust conditions have not been met within three months, then the trustees must return all such payments to the employees.

I attach a copy of the article that brought these issues to my attention, a letter to the Collector of Taxes, and a copy of the Declaration of Sovereignty, Deed of Trust and Withdrawal of Consent that lawfully binds taxpayers to withhold money from Parliament until it acts lawfully, ends its wars and crimes and abides by the laws of war and peace.

Yours sincerely
